

WEEKLY NEWS

from

Mrs. Luciano's A-1 Kindergarten
Week of 14th - 18th, 2017

This Week's Learning:

We began our Superkids program this week and students were introduced to our Superkid Cass who loves to cook.

We practice writing the letter Cc, identifying words that begin with Cc and learning the routine for our Superkids program. In Math we began exploring 2-D shapes. Students had fun building their shape monsters, sorting shapes and being shape hunters around the classroom. In Science we began talking about what Science is and tools that Scientists use.

UPCOMING DATES & EVENTS:

- Monday, August 21st Turn in Field trip form
- Friday August 25th turn in 2 t-shirts & memory book form
- Friday, September 8th Walk with pride form
- Thursday, August 31st Monterey County Fair Field Trip (more info to come)

BIRTHDAYS:

August 31st Lillyann's Birthday

Next Week in A-1:

- ❖ Super Kids: Continue with Cass and Cc
- ❖ Math: Continue our exploration of 2-D shapes focusing on composing shapes, finding shapes in our world, shapes and position.
- ❖ Science: Continue our discussion and exploration of the scientific process.
- ❖ Social Studies: We will begin our Social studies discussions.
- ❖ Toolbox: We will continue to practice our "Breathing Tool" and our mindfulness during class and school time.

NOTES FROM MRS. LUCIANO:

Thank you for a wonderful Back to School Night. Please don't forget to look through your packets and touch base with any questions or concerns.
